PASSPORT**

# KIDS CHECK PASSPORT

Follow the checklists on the next few pages and see how you can make you and your family safer.

Every time you finish a task, check it off in your passport – you can also get cool stamps for great prizes!

## AT HOME

- Never play with a lighter or matches (ask your mom and dad to put matches and lighters away where your little brother and sister can't get them)
- Keep away from the lawnmower when your parents are cutting the grass
- Never climb up on furniture, especially if it is near a window

## AT PLAY

- Never run on the stairs and remind your family to do the same
- Always take your bike helmet off when you are at a playground
- Avoid busy intersections and never run across a street

## SPORTS!

- Wear the right gear for each sport you play
- Remove your watch or jewelry before you start playing
- No roughhousing allowed!

## YOUR WHEELS

- Follow the rules of the road
- Always, always wear your helmet
- Never "double" a friend

**To WIN**  
a cool prize,  
read the important  
safety tip and  
go to each the  
Safe Saskatchewan  
founding partners  
here today for your  
passport stamp

Take care out there.

**Always use your booster seat or wear your seat belt and make sure everyone in the vehicle is buckled up before the trip starts.**

SGI was created in 1945 and has evolved into two distinct operations. The Saskatchewan Auto Fund is the province's compulsory auto insurance program, operating the driver's licensing and vehicle registration system. SGI CANADA is fully competitive, selling property and casualty insurance products such as home, farm, business and extension auto. SGI CANADA currently operates in Saskatchewan, Alberta, Manitoba, Ontario, Prince Edward Island, Nova Scotia and New Brunswick.

**Check all of the smoke alarms in your house every 6 months to make sure they're working**

Mosaic is one of the world's leading producers and marketers of concentrated phosphate and potash crop nutrients. For the global agriculture industry, Mosaic is a single source for phosphates, potash, nitrogen fertilizers and feed ingredients.

**Always cross the street at crosswalks or pedestrian crossings and look both ways for traffic**

Prairie Mines & Royalty Ltd. operates eight mines situated in Alberta and Saskatchewan, all of which are located in agricultural regions on the prairies of Alberta and Saskatchewan. Prairie Mines has become a highly focused, pure-play thermal coal producer with stable, long-term contracts and limited exposure to cost increases.

- Know how to call 9-1-1 or your local emergency number**

The Saskatchewan Safety Council is dedicated to the continued wellbeing of you and your family. By looking at the people behind the statistics, we emphasize prevention rather than cure. The Council fosters the belief that an informed person is a safer person - at work, at home, on the road, in every facet of living.

- Never ride as a passenger on an all terrain vehicle (ATV). Kids younger than 16 aren't meant to ride at all!**

SaskPower is the principal supplier of electricity in Saskatchewan. Its mission is to deliver power in a safe, reliable, cost-effective and environmentally responsible manner.

**Stay away from household cleaners. These chemicals are poisonous and not meant for kids.**

WorkSafe Saskatchewan is a partnership between Saskatchewan Labour and the Saskatchewan Workers' Compensation board whose purpose is to prevent workplace injuries.

## The Parent Zone

### What is Safe Saskatchewan?

Safe Saskatchewan is a province wide injury prevention initiative whose goal is to raise awareness of the unintentional injury epidemic in our province.

Our website contains a wealth of information on injury prevention, its partners and other resources available to the public.

Safe Saskatchewan will create a change in society that will directly improve the lives of Saskatchewan people and save millions of dollars in health and social costs.

Visit us at [www.safesask.com](http://www.safesask.com) for more information.
